

Read Across America

NEA's Read Across America is an annual reading motivation and awareness program that calls for every child in every community to celebrate reading on March 2, the birthday of beloved children's author Dr. Seuss.

The Beginning

In May 1997, a small reading task force at NEA came up with a big idea. "Let's create a day to celebrate reading," the group decided. "We hold pep rallies to get kids excited about football. We assemble to remember that Character Counts. Why don't we do something to get kids excited about reading? We'll call it 'NEA's Read Across America' and we'll celebrate it on Dr. Seuss's birthday." And so was born on March 2, 1998, the largest celebration of reading this country has ever seen.

The Purpose of Read Across America

Motivating children to read is an important factor in student achievement and creating lifelong successful readers. Research has shown that children who are motivated and spend more time reading do better in school.

Stanfield Elementary School will be celebrating Read Across America the week of February 27-March 2, 2017.
