Presents

Corporate Sponsorships

In an effort to minimize continuous business sponsorship through the school year, the Stanfield Booster Club is coordinating team and club sponsorship for all activities for the 2016-2017 school year. The purpose is to allow businesses the opportunity for a **one** time donation for our students and athletes without being approached for sponsorship donations multiple times throughout the school year. **This is a once yearly donation that is tax deductible (Tax ID # 81-2143285).**

The levels of Tiger sponsorship are below and include items listed:

Gold Level: \$500 donation and above (Signs shown at indoor and outdoor sports)

- » Large (4' x 8') vinyl signs at outdoor events
- » Gym sponsor board with business logo
- » Business name in all sport programs
- » 2 passes to regular season home games
